

OUR MISSION

~~CONFIDENTIAL~~

MISSION OF THE LANGUAGE AND AREA SCHOOL

Develop, coordinate and conduct or arrange, within the Agency, training programs in languages, area knowledge related to the language instruction and basic area knowledge, except the USSR program, for Agency and selected non-Agency personnel.

Counsel individuals and components of the Agency on existence, requirements and suitability of all external language and area training programs at appropriate public and private facilities in the United States and abroad.

Evaluate the intellectual qualifications of all candidates for language and area training and make recommendations on types of training and placement in terms of objectives and individual qualifications.
